

### IRONWOOD "P500" PLANER (SINGLE SIDED)

Item # PL-230179 - Lot # 025

Current Bid: **\$0** **No Reserve**  
End Time: **275 Days, 2 Hours, 1 Minute**  
(12/31/2025 3:15PM EST)  
Brand/Model: **IRONWOOD "P500"**  
Year MFG: **2012**  
Machine Type: **PLANER (SINGLE SIDED)**  
Serial #: **P58500013-12**  
Elect./Voltage: **230 V, 60 Cy, 3 Ph.**  
Location: **REGINA, SK**  
Dimensions: **48" L x 32" W x 46" H**  
Weight: **1800 Lbs.**  
Comment: This 20" Planer is ready to smooth out your work in a JIFFY!!!

### Description:

## Detail Specification Sheet

---

IRONWOOD P500 508 mm (20") Surface Planer, with Spiral Insert Cutterhead

Specifications:

- 20" (508 mm) max. Width cap., 11.8" (300 mm) max. thickness cap., 0.393 (10 mm) min. thickness cap., 0.325 (8 mm) max. cut depth, 8.6 (220 mm) min material length (un-butted).
- 7.5 HP Main motor, 3.8" (98 mm) dia. cutter-head with 4.0' (102 mm) cutting circle @ 4,800 RPM; Spiral cutter-head with 75, 2-sided Carbide cutter inserts.

Equipped with:

- Digital Position Controller for Up/Down of the Table.
- Variable speed by Frequency Inverter from 19 to 39 FPM / 1 HP feed motor.
- 0.25 HP Motorized support table, 29.4 (748 mm) long x 22.1" (562 mm) wide bed; the table is supported by (4) oversized columns with height positioning via keypad entry within the digital controller.
- Automatic power off when the top safety hood is opened.
- Both the infeed chip-breaker and the outfeed pressure rollers incorporate spring-pressured adjustments to ensure positive contact on the workpiece as it is passed through the planer.
- Two "adjustable bed rollers for planing of rough or finished lumber, as well as glued panels.

Complete with & more:

- Magnetic starter, Adjustable bed rollers, (1) 6" dia. Dust outlets. Requires 800 CFM; Instruction Manual & Parts List; Shipping weight 1,800 Lbs.

Features:

- The IRONWOOD P500 Series of 20" thickness planers provide operators with solid thickness planning machinery that offers a powerful cutting performance.
- This machine features an enhanced heavy-duty cast iron table that is heat-treated and precision ground to assure the greatest rigidity and stability during intense cutting operations. The Ironwood Planers offers enhanced engineering designs and superior build construction for long-lasting and trouble-free performance.

CURRENCY NOTE: Negotiable Price is listed in U.S. Dollars.
